

Annual Giving Campaign

The Financial Reality Foundation was formed in August 2014, by Matanuska Valley Federal Credit Union as a 501 (c) (3) non-profit foundation to provide real life financial literacy programs to consumers of all ages. The programs created and supported by the foundation are at no cost to the consumer, partnering schools, businesses or community members.

Foundation Patron

\$10,000 - \$20,000+

The Financial Reality Foundation offers consumers the opportunity to learn about finances in a fun, realistic and memorable way. Through your patronage with the Financial Reality Foundation you will be a part of equipping future generations with the knowledge and skills they need to successfully reach their financial goals. Your donation will allow the Foundation to continually offer programs related to personal finance, career readiness, and entrepreneurship at no cost to the recipient or community volunteers. Your organization will be listed as a corporate sponsor in our annual report, on the foundation website, social media pages and during sponsored events.

Program Donor

\$5,000 - \$9,999

The Financial Reality Foundation currently offers young adults an opportunity to learn about managing personal finances in a realistic, true-to-life way using the Get REAL Financial Reality Fair program. Your donation will support the ongoing program initiative to reach every high-school senior annually. Your generosity will help offset the cost of supplies and mobilization required to maintain a ready-made Get REAL Financial Reality Fair package, provided to partnering credit unions who bring the fair to various regions in the state. Your organization will be listed as a sponsor on the foundation website, social media pages and during sponsored events.

Event Contributor

\$500 - \$4,999

A Get REAL Financial Reality Fair provides students with an opportunity to:

- Explore career paths and consider a job they may desire in the future.
- Work with an income and learn how to budget for things like a home, car, utilities, insurance, food, clothing, entertainment, and more.
- Interact with local business people who lend a touch of reality as they sell to students.
- Meet with a financial advisor who will bring the focus back to savings and thrift practices, review their budgets and provide financial advice for their future.

Your donation will go towards a Get REAL Financial Reality Fair event which is provided to high-school seniors at no cost to the students, parents and school. Your organization will be listed as a sponsor on social media pages and during sponsored events.
