

WHEEL OF REALITY

Welcome!

You are the Wheel of Reality advisor!

Below you will find helpful advice to make your role as easy as possible. Please read thoroughly even if this is not your first time.

- The wheel is comprised of approximately 50% negative life events and 50% positive life events.
- Each student is required to spin the wheel one time.
- The student will spin the wheel and land on 1 of 10 possible categories, listed below.
 - Life
 - Debts and Loans
 - Additonal Cash
 - Family Life
 - Home
 - Daily Living
 - Automotive
 - Health
 - Communication
 - Entertainment
- Your role is to offer the student a random card from the category they have spun, and then read the card aloud to the student.
- If a card does not apply to a student's future life scenario (example: If they do not have kids or a spouse and the card refers to paying for kids or a spouse.) have them choose a new card.
- Direct the student where to list their Wheel of Reality cost.
- If the student should pick the new baby card, make sure to celebrate!
 - Shout out "HEY! *Student's name" had a baby!!!"
 - Ring the bell found on your table.
 - And don't forget to place a "It's A Baby!" sticker on the student!
- If the student is done with their budget they should go to the financial advisor table, if not encourage them to finish visiting the other tables.
- Have fun and remember that this is not the time for you to be teaching them good financial education, the financial advisors are there to do that after they make mistakes!
